Green Cartridge

**Made in India
Made for India**

Years
Limited
Warranty

(2 months additional warranty
if unit is registered within
30 days of purchase)

Unique, Specially Designed
High-Strength Ceramic basin
with Water-Repelling,
Slippery & Non-Stick Coating

1st Stage:
3-5 mm gap blocks larger
objects like Cigarettes,
Chewing Gum etc.

Cartridge Top Filter is
made of 'See-Through'
durable Polypropylene
(Random PPCP) material
for easy maintenance

2nd Stage:
Multiple Filter slits
block hair and other
items

Refillable Biological Pellets
on the Top of the cartridge
with Organic, Eco-Friendly
and Activated Carbon Pellets
inhibit Microbial growth,
curbs bad odour and
prevents struvite formation

3rd Stage:
Patented Uni-directional
mechanism ensures
Waterless and Odourless use.
The internal mechanism can
also be cleaned for small
blocking objects.
The internal mechanism is
designed to repel urine and
liquids

Heavy Duty

**Specially Designed for
Indian Conditions**

**Unique Water-less, Odour-
less and Hygienic Design**

ZERO
Leakage
Guarantee
From within
the Cartridge

Can be installed in all places of High Water wastage

- **Schools**
- **Companies**
- **Colleges/Hostels**
- **Railway Stations**
- **Bus Stations**
- **Outdoor Events**
- **Temples**
- **Hospitals**
- **Military Camps**
- **Malls**
- **Hotels/Restaurants**
- **Petrol Stations**
- **Public Toilets**
- **Movie Halls**
- **Shopping Places**
- **Gated Communities**

Each unit Saves **1,50,000 Litres***
in Water Flushes per year...

...which can be used for **Drinking**
by **150 people** for **365 Days**

Each unit avoids the use of
150 Litres*
of Cleaning Chemicals per year...

...which would have polluted
5,00,000 Litres of water

Results in **5x** reduction in germs and
Unhygienic Disease causing conditions

****Under Normal Commercial Usage**

The Innovative Green Cartridge has been certified by

National Swaatchathon 2017:
National Semi-Finalist among 3,000+ participants from across India

naturesani's innovative solution was among the Top 60 entries selected for the 'Swaachathon' Contest held in New Delhi in Sep 2017

Test Report No: 1855
Date: 25.05.2017

Issued to: BRASMAC Smart Innovative India Pvt Ltd,
68, RP Road, Anna Nagar,
Chrompet, Chennai 400044

Date of Performance of test: 22.05.2017

Ref. letter no. Email: dated 17.05.2017

Our Work Order No. PTC/05-201749

TEST REPORT

PART A: PARTICULARS OF SAMPLE SUBMITTED

Nature of Sample	: Waterless Urinal as stated by the Party
Grade/ Variety /Type /Size/Class etc.	: Part 1, Part 2, Part 3, Part 4, Part 5& Part 6 as stated by the party
Declared values, if any	: Mention in Part C
Code No.	: Nil
Batch No. and date of manufacture	: Nil
Quantity	: 01 No of each part as received
Mode of Packing	: Nil
Seal	: Unsealed
Any other information	: Nil

PART B: SUPPLEMENTARY INFORMATION

a) Reference to sampling procedure	: Not Applicable
b) Supporting documents for the measurements taken & results derived	: As per Party Requirements
c) Deviation from the test methods as prescribed in relevant ISS / Work instructions, if any	: Not Applicable

13,001-14,000/01.01.2017

naturesani Product Innovation invited by the **Dr. Mashelkar Committee** of the **Ministry of Drinking Water and Sanitation** for accreditation of innovative, scalable, affordable and socially acceptable technology

Our Stall at National Swaachathon 2017, New Delhi

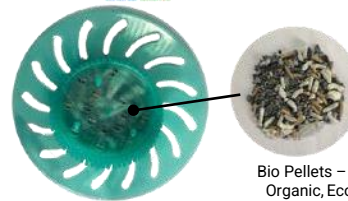

Shortlisted for Telangana Swachh Bharat Mission (Gramin)

- naturesaniTM Bio-Cleaner**
- Cleans all stains and Oil marks
 - Effectively Neutralizes Odours
 - Anti-Bacterial effect
 - Associated with Urine without masking it
 - Optimum Level of Biodegradability
 - Compatible with Septic Tanks & S.T.P
 - Non-flammable and Non-volatile
 - Dissolves in water

naturesaniTM Bio-Pellets

Refillable Biological Pellets on the Top of the cartridge

Bio Pellets – Combination of Organic, Eco-Friendly and Activated Carbon Pellets: Reduces Odour, Kills microbes and prevents Struvite formation

To reorder 'Bio-Cleaner' and 'Bio-Pellets': Call: Mobile: +91 7799 279 000
